CLASS ATTIRE: Student Wellness supports the BYU Honor Code, including the Dress & Grooming Standards. Students must come to class in appropriate, clean, and modest athletic attire. Shirts must cover the shoulders and full torso. Shorts must reach mid-thigh (7" inseam) or longer. Inappropriate logos or sayings will not be tolerated. ***Students not dressed appropriately will not be allowed to participate and will be marked absent.***

HONOR CODE: In keeping with the principles of the BYU Honor Code, students are expected to be honest in all of their academic work. Academic honesty means, most fundamentally, that any work you present as your own must in fact be your own work and not that of another. Violations of this principle may result in a failing grade in the course and additional disciplinary action by the university. Students are also expected to adhere to the Dress and Grooming Standards. Adherence demonstrates respect for yourself and others and ensures an effective learning and working environment. It is the university's expectation, and every instructor's expectation in class, that each student will abide by all Honor Code standards. Please call the Honor Code Office at 422-2847 if you have questions about those standards.
