EXCEPTIONS

Students who are part-time in their last semester may request full-time status by completing the form “Last Semester Option” and presenting it to the Information desk in 112 RB. This exception is available one time only.

During Spring and Summer Terms, only, students who were enrolled for the previous winter semester and have registered for fall semester, but are not taking classes during spring/summer may purchase facility use privileges. The same rules apply as part-time students.
