• Students must meet the following criteria to pass this course.
  1. Pass the attendance part of the course with 80%—no more than 5 hours absent
  2. Pass the written part of the class with 75% on the written test.
  3. Complete labs and in class running log.

Students who do not complete the requirements will receive an E (fail) grade which will impact GPA.
ATTENDANCE/PARTICIPATION

• Because participation is the primary component of an activity class, attendance is requisite to pass the class.

• Students must attend and participate in 80% of all class sessions to pass the course (Department policy). There is no such thing as an excused absence for University business. The purpose of the allowed absences is to accommodate for illness, injury, or University business.
  
  • For twice a week semester classes or 4 times a week block and Spring/Summer term classes, this equals no more than 5 class periods missed.
  • For twice a week block or Spring/Summer term classes and once a week semester classes, this equals no more than 2 class periods missed.
  • For once a week block classes, this equals no more than 1 class period missed.

• Excessive tardiness is not acceptable. Three (3) incidents of tardiness equal one (1) absence. If a student arrives after class begins, it will count as a tardy. If the student arrives 10 minutes or more after the class begins or leaves early, it will count as an absence.

• Students adding late can make up classes missed prior to adding during a 2 week period following the add/drop deadline. They should see the instructor for options immediately upon adding.

• A student incurring a prolonged injury or illness resulting in more than the allowed absences can withdraw from the class prior to the withdrawal deadline (see academic calendar). Students with a prolonged illness or injury occurring after the withdrawal deadline can petition to withdraw at petitions.byu.edu. Call 801-422-2631 with questions about the petition process.

• If a student has any questions about this policy, contact Student Wellness, 112 RB, activity@byu.edu
